

Picture Frame Rubric

TIJ 10

Name: _____

	Level 1	Level 2	Level 3	Level 4
Picture Frame Rubric	Poor	Fair Attempt	Competent	Exemplary
Research Page (T/I), (K/U)				Research is thorough and well-considered. Insights are clearly stated and help define the project.
Planning Page (T/I), (K/U)				Plans describe the piece perfectly. Plans are well thought out and thorough. All parts are neatly dimensioned. A clear and logical procedure list is included
Production Page (A), (C)				The production process is documented and clearly illustrated
Measurement (A), (K/U)				All measurements are absolutely precise. As a result, the resulting product is perfectly symmetrical, functional and seamless
Joinery (A)				Wood joints are well thought out. They are aesthetic and structurally sound. The quality of seams is superb.
Finish (A)				The finish is flawless for the piece. There is NO evidence of excess glue, and sanding is fine and well done.
Functionality (T/I)				The piece functions EXTREMELY well for its intended purpose.
Reflection Page (C), (T/I)				A thoughtful reflection is presented with evidence of substantial learning.
